

We are Team Stilovators.

We start with the homepage which serves as the central hub for our visitors. Here users can easily access the main sections of the website using a clean and intuitive layout.

At the top we have the navigation bar with links to Home, Highlights, Cart, Favorites, Settings, and Sign in. The sign in which is located at the top right allows users to quickly login to their accounts. The search bar is positioned prominently for easy access to search functionality.

The product categories section is neatly organized to help users find specific items such as timepieces, sunglasses, scarves, perfumes, wallets, shoes, bags, and other accessories. Each category is clickable, leading to a dedicated page with all relevant products.

The footer of the website features links to customer care, shipping and payment, corporate information, social media icons, and membership. The social media icons are included to encourage users to follow Carlo Rino on various platforms. These are essential for building customer trust and ensuring transparency.

The screenshot displays the homepage of the Carlo Rino website. At the top, there is a navigation bar with links to Home, Highlights, Favorites, Cart, and Settings. Below the banner, there is a promotional message: "Indulge in the radiant splendor of Spring Summer 2024 now!" with arrows for navigation. To the right of this message is a "See All" link.
